Material:		3M™ Scotch® Magic™ Tape 810	
Overview:			
Scotch® Magic™ Tape is the original matte finish, invisible tape. The very best tape for the office. Disappears on paper and will not show on copies. Pulls off the roll smoothly and cuts easily. Resists splitting and tearing. Easy to handle and apply. Resists yellowing and drying out. Fits 3 in core countertop dispenser. Scotch® Magic™ Tape works as hard as you do to fix all the little imperfections at home, school and the office. The Scotch® Brand's famous matte-finish invisible tape uses unique 3M™ adhesive technology to bond tightly with paper and disappear without a trace. Write on it with pencil, pen or marker-every word is loud and clear. Scotch® Magic™ Tape: Always ready for big ideas and everyday mends.			
Description:			
Parameters:			
Characteristics	Units	Value	Test Method

Aplication surfaces		Paper	
Adhesive type		Synthetic Acrylic	
Color		Clear	
Backing liner		Matte cellulose acetate	
90° Peel Adhesion (on S. Steel at 22°C)	N/cm		ASTM D3330

Warranty:**Technical data**

All information and statements contained in this document are based on the manufacturer's or material supplier's sources known to us at the time of filing. PERLON, spol. s r.o. believes them to be reliable in good faith, but the accuracy and/or completeness of such information is not guaranteed. The data should be considered representative or typical only and should not be used for specification purposes. Manufacturers reserve the right to make changes to the design, construction and technical data of products without prior notice.

Use of the product

Many factors beyond the control of PERLON, spol. s r.o. and known only to the user may affect the use and performance of materials in a particular application. Therefore, we recommend that the customer perform their own tests of the suitability and performance of the material for their application and to a responsible extent for reliable results. As a result, the customer is solely responsible for evaluating the product and determining if it is suitable for the customer's application, including evaluating workplace hazards and reviewing all applicable regulations and standards. Failure to properly evaluate, use, or comply with all applicable safety regulations may result in injury, illness, death, and/or property damage if the material and associated safety is not properly evaluated. PERLON, spol. s r.o. makes no warranties of fitness for a particular purpose.

Limitation of liability

PERLON, spol. s r.o. shall not be liable for any loss or damage arising out of or relating to the product material, whether direct, indirect, special, incidental or consequential (including, but not limited to, loss of products or business), regardless of the applicable legal practice, including but not limited to warranty, contract, negligence or strict liability.
