

Material:	Hexis PC30G2		
Overview:			
The PC30G2 – PC30M3 series by HEXIS offers premium cast vinyl films, designed for the cold lamination of digital prints. With a sleek gloss (PC30G2) finish, these films provide an exceptional protective layer for your printed materials.			
Description:			
The high-quality pressure-sensitive acrylic adhesive ensures durable and lasting application, while the film’s UV resistance and flexibility make it ideal for both outdoor and indoor use. Perfect for protecting vibrant prints, this product guarantees excellent surface retention over time, while being easy to apply and maintain.			
Parameters:			
Characteristics	Units	Value	Test Method

Series		Laminating	
Thickness	mm	0.03	
Color		Clear	
Adhesive		Solvent-based acrylic	
Backing liner		Silicone-coated PE paper	
Operation temperature	°C	-40 - 90	
Base film		PVC	
Finish		Gloss	
Durability	years	5	

Warranty:**Technical data**

All information and statements contained in this document are based on the manufacturer's or material supplier's sources known to us at the time of filing. PERLON, spol. s r.o. believes them to be reliable in good faith, but the accuracy and/or completeness of such information is not guaranteed. The data should be considered representative or typical only and should not be used for specification purposes. Manufacturers reserve the right to make changes to the design, construction and technical data of products without prior notice.

Use of the product

Many factors beyond the control of PERLON, spol. s r.o. and known only to the user may affect the use and performance of materials in a particular application. Therefore, we recommend that the customer perform their own tests of the suitability and performance of the material for their application and to a responsible extent for reliable results. As a result, the customer is solely responsible for evaluating the product and determining if it is suitable for the customer's application, including evaluating workplace hazards and reviewing all applicable regulations and standards. Failure to properly evaluate, use, or comply with all applicable safety regulations may result in injury, illness, death, and/or property damage if the material and associated safety is not properly evaluated. PERLON, spol. s r.o. makes no warranties of fitness for a particular purpose.

Limitation of liability

PERLON, spol. s r.o. shall not be liable for any loss or damage arising out of or relating to the product material, whether direct, indirect, special, incidental or consequential (including, but not limited to, loss of products or business), regardless of the applicable legal practice, including but not limited to warranty, contract, negligence or strict liability.
